RE: **INDOOR 2008-09 TEAM ORGANIZATION**

I am pleased to announce the following Girls U18 team organization for the upcoming season:

Team	YOB	League
1	1991	Women's Major League
2	1991	Tier 1
3	1992	Tier 1
4	1991-92	Tier 2/3 seeding
5	1991-92	Tier 2/3 seeding
6	1991-92	Tier 2/3 or Competitive A seeding
7*	1991-92	Competitive A seeding

** Additional teams to be added or deleted depending on registration numbers*

Tier 1 and Major League teams will take part in the FCOE program. Tier 2/3 teams will take part in the Development Academy program. All tier 1-3 and major league team players will play in the Foothills Futsal program. Competitive teams may enter the Development Academy on a reduced commitment level if there is enough interest from the team. Academy and Futsal schedules will be published prior to indoor season.

Team 1, playing in the Women's Major league, will consist primarily of 1991 players and possibly some 1992 players. Many if not all of these players will be added to Foothills U18 CMSA rosters so they are eligible to play in youth competitions and CMSA league play as well. Team 2 may also have a small number of 1992 players depending on numbers and quality.

G18 Tier 1, Tier 2 and Major League evaluations take place on Saturday, September 13 from 4:00-6:00 PM at Canterbury Fields in Canyon Meadows. All players who wish to play on Major, Tier 1 or Tier 2 teams are invited to attend. Tier 3 and competitive evaluations take place on Saturday, September 20 from 4:00-6:00 PM at Canterbury Fields in Canyon Meadows. Team coaches will be communicated on the club website shortly.

Congratulations to the Foothills Colts G18 who will represent Alberta at the Sony Cup U18 National Championships, October 8-13 in Toronto.
